

Freeze Frame

Jump5

Freeze frame
1,2,3, whooI could see it was a rough-cut Tuesday
Slow motion weekdays stare me down
His perfect picture got me wound
Snapshot image froze without a soundThursday morning was a pop shot factor
His face still focused in my mind
(Doodle, odle, oop)
Friday night we'll dance the spotlight-light
(Doodle, odle, oop)
Stop time heart for me, if he's not mineFreeze frame, freeze frame
Freeze frame, freeze frameFreeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame, whoo
Now freezeNow I'm looking at a flashback Sunday
Zoom lens feelings just won't disappear
Close up photo image looks so clear
His hold on me has got so strong
This freeze frame moment can't be wrongFreeze frame, freeze frame
Freeze frame, freeze frameFreeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame, whoo
Now freezeShoop shoop, doodle oodle oop
Oh, yeah
Shoop, shoop, doodle oodle oop
Snap shot image froze without a soundFreeze frame, freeze frame
Freeze frame, freeze frame
(I'm lookin' at a flash back freeze frame)Freeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame

(Freeze frame)
Freeze frame, whooFreeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Freeze frame
(Freeze frame)
Now freezeHey, 1,2,3, whoo
Freeze frame
(Freeze frame)
Freeze frame
(Shoop, shoop, doodle, oodle, oop)
Freeze frameFreeze frame
(Shoop, shoop, doodle, oodle, oop)
