

# Graduate

## Johannes Ockeghem

Can I graduate? Can I graduate?  
Can I look at faces that I meet?  
Can I get my punk ass off the street?  
I've been livin' on for so long Can I graduate?  
To the bastard talking down to me  
Your whipping boy calamity  
Cross your fingers, I'm going to knock it all down  
(Can I graduate?) Echo fading, we can't let go  
She goes walking by in slow mo'  
Sell your heart out for a buck  
Go on fade out before I get stuck Talking to somebody like you  
Do you live the days you go through?  
Will this song live on long after we do?  
(Can I graduate?) Can I look at faces that I meet?  
Can I get my punk ass off the street?  
Won't die on the vine, I wanna knock it all down  
(Can I graduate?) Echo fading, candle blow  
Did you flash out long ago?  
Cross my fingers, I don't know  
Someone poked you down below Can I graduate?  
Can I graduate?  
Can I graduate?  
Can I graduate? Can I graduate?  
Can I get my punk ass off the street?  
Can I look at faces that I meet?  
I'm not waiting here for you to fly  
Will this song live on long after we do?  
(My mind)
