Lucy Said

Fenomenon

Lucy said
I'll take care of the situation
Lucy said
It's just a minor complication
Don't worry sir
let me worry for you
things will be as they were
and no more problems will occurLucy said OK, it's no problem
Lucy said OK, I'm on my way
Lucy said OK
Lucy said OKLucy said
I think need a break now
Lucy said
But I'll get it done somehow
I'm sorry mum (?),
I didn't mean to sound lazy
I'm stuck in a jam
and everything is hazyLucy said OK, it's no problem
Lucy said OK, I'm on my way
