How to Love Again

Jeff Scott Soto

you look so loney just standing there
hurting from love
you smile but cannot hide the pain of losing too much
i know your heart's been hurt so many times
and you don't want to fall in love again
let me dry each tear you cry
i'll show you how to love again
just take my hand and we'll fly away
chase all our dreams
just close your eyes and let me take you
to places you've never seen
i know your heart's been hurt so many times
and you don't want to fall in love again
let me dry each tear you cry
i'll show you how to love again
so when you're feeling strange, afraid or insecure
let me be the one to take your hand
and leave you safe and warm
i know what you're thinking
that you've heard it all before

and if you don't believe i mean what i say
then baby walk out that door
i know your heart's been hurt so many times
and you don't want to fall in love again
let me dry each tear you cry
i'll show you how to love again
i know your heart's been hurt so many times
and you don't want to fall in love again
let me dry each tear you cry
i'll show you how to love again
hurt so many times
and you don't want to fall in love again
let me dry each tear you cry
i'll show you how to love again
let me dry each tear you cry
how to love again
hurt too many times
and you don't want to fall in love again

let me dry each tear you cry
i'll show you how to love again
