

How to Love Again

Jeff Scott Soto

you look so loney just standing there
hurting from love
you smile but cannot hide the pain of losing too much
i know your heart's been hurt so many times
and you don't want to fall in love again
 let me dry each tear you cry
 i'll show you how to love again
 just take my hand and we'll fly away
 chase all our dreams
 just close your eyes and let me take you
 to places you've never seen
i know your heart's been hurt so many times
and you don't want to fall in love again
 let me dry each tear you cry
 i'll show you how to love again
so when you're feeling strange, afraid or insecure
 let me be the one to take your hand
 and leave you safe and warm
 i know what you're thinking
 that you've heard it all before

and if you don't believe i mean what i say
 then baby walk out that door
i know your heart's been hurt so many times
and you don't want to fall in love again
 let me dry each tear you cry
 i'll show you how to love again
i know your heart's been hurt so many times
and you don't want to fall in love again
 let me dry each tear you cry
 i'll show you how to love again
 hurt so many times
 and you don't want to fall in love again
 let me dry each tear you cry
 i'll show you how to love again
 let me dry each tear you cry
 how to love again
 hurt too many times
 and you don't want to fall in love again

let me dry each tear you cry
i'll show you how to love again
