

Don't Fucking Tell Me What To Do

Robyn

My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me
My drinking is killing me

K-k-killing me

My smoking is killing me

My diet's killing me

My heels are killing me

My shopping's killing me

My ego is killing me

Can't sleep, it's killing me

My label's killing me

Kick drum

My phone is killing me

My emo is killing me

These hours are killing me

My tour is killing me

This flight is killing me

My man is just killing me

My mother's killing me

My landlord's killing me

My boss is killing me

The TV is killing me

Your nagging is killing me

My boyfriend's killing me

My talking's killing me

Killing me

Killing me

K-k-killing me
Can't sleep, it's killing me
My dreams are killing me
The TV is killing me
My talking's killing me
Let go, you're killing me
Ease up, you're killing me
Calm down, you're killing me
My God, you're killing me
K-k-killing me
My drinking is killing me
My smoking is killing me
My head is killing me
My mind is killing me
My back is killing me
My neck is killing me
Your nagging is killing me
My belt is killing me
My PMS is killing me
My emo is killing me
These hours are killing me
My tour is killing me
This flight is killing me
My man is just killing me
My mother's killing me
My landlord's killing me
My smoking is killing me
The TV is killing me
Your nagging is killing me
Ease up, you'll kill me
Let go, you'll kill me
Calm down, you'll kill me
My God, you'll kill me
Don't fucking tell me what to do, do
Don't fucking tell me what to do, do, do, do, do
Don't fucking tell me what to do
Don't fucking tell me what to do, do
Don't fucking tell me what to do, do
Don't fucking tell me what to do
Don't fucking tell me what to do
Don't fucking tell me what to do
Don't fucking tell me what to do
