

Fight Sounds, Pt. 1

Circlesquare

Tell your girl-friends
You're gonna leave them
All bloodshot eyes wide
More proof that books lied

No need to think when
This crowd gets movin?
Bass bins and ball bats
Heartbeats and hand-claps

And your bad friends
Are more important
Don't turn those lights down
Cause these are fight sounds
Fight sounds
Fight sounds

Na na na
Na na na na
Na na na
Na na na na

Tell your girl-friends
You're gonna leave them
All bloodshot eyes wide
More proof that books lied

No need to think when
This crowd gets movin?
Bass bins and ball bats
Heartbeats and hand-claps

And your bad friends
Are more important
Don't turn those lights down
Cause these are fight sounds
Fight sounds
Fight sounds
