

# Cry

## Rihanna

I'm not the type to get my heart broken  
I'm not the type to get upset and cry  
'Cos I never leave my heart open  
Never hurts me to say goodbye  
Relationships don't get deep to me  
Never got the whole in love thing  
And someone can say they loved me truly  
But at the time it didnt mean a thing

My mind is gone  
I'm spinning round  
And deep inside  
My tears ill drown  
I'm loosing grip  
What's happening?  
I stray from love  
This is how I feel

This time was different  
Felt like I was just a victim  
And it cut me like a knife  
When you walked out of my life  
Now I'm in this condition  
And I got all the symptoms  
Of a girl with a broken heart  
But no matter what  
You'll never see me cry

Did it happen when we first kissed?  
Cos it's hurting me to let it go  
Maybe cos we spent so much time  
And I know that is no more  
I should have never let you hold me baby  
Maybe why im sad to see us apart  
I didn't give it to you on purpose  
can't figure out how you stole my heart

My mind is gone  
I'm spinning round  
And deep inside

My tears ill drown  
I'm loosing grip  
What's happening?  
I stray from love

This is how I feel

This time was different  
Felt like I was just a victim  
And it cut me like a knife  
When you walked out of my life  
Now I'm in this condition  
And I got all the symptoms  
Of a girl with a broken heart  
But no matter what  
You'll never see me cry

How did I get here with you  
I'll never know  
I never meant to let it get so personal  
And after all I tried to do  
To stay away from love with you  
I'm broken-hearted  
I can't let you know  
And I Won't Let It Show  
You won't see me cry

This time was different  
Felt like I was just a victim  
And it cut me like a knife  
When you walked out of my life  
Now I'm in this condition  
And I got all the symptoms  
Of a girl with a broken heart  
But no matter what  
You'll never see me cry

This time was different  
Felt like I was just a victim  
And it cut me like a knife  
When you walked out of my life  
Now I'm in this condition  
And I got all the symptoms  
Of a girl with a broken heart  
But no matter what

You?ll never see me cry

all my life...
