Is Anybody Going To San Antone

Charley Pride

Rain dripping off the brim of my hat
Is sure is cold today
An' here I am walking down Sixty Six
Wish she hadn't done me that waySleeping under a table in a roadside park
A man could wake up dead
But it sure seems warmer than it did
Sleeping in our king sized bedIs anybody going to San Antone
Or Phoenix, Arizona
Any place is all right as long as I
Can forget I've ever known hereWind whipping down the neck of my shirt
Like I ain't got nothing on
But I'd rather fight the wind and rain
Than what I've been fighting at homeYonder comes a truck with the U.S. Mail
People writing letters back home
Tomorrow she'll probably want me back
But I'll be just as goneIs anybody going to San Antone
Or Phoenix, Arizona
Any place is all right as long as I
Can forget I've ever known here
Any place is all right as long as I
Can forget I've ever known her
