

# Mirror

## Girlicious

Don't know who I am no more  
For you I try to change  
Keep messing with my head  
Wanna be myself instead  
It has been too hard on us  
Thought we were so in love but I was wrong  
You didn't want what I wanted  
And I've had enough  
Had enough of playing games  
The lies you said  
The reason that I must let go  
The things you put me through  
You may never know  
I know why it's taking all of this time  
You're the reason why I cry  
Now I know why I can't see  
I can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want so I'll leave  
I have got to be me  
(I've got to be me)  
'Cause what you want isn't me in the mirror  
You say you love me but  
I think you see someone else  
Always reminding me  
That I'm not perfect enough for you, boy  
I deserve so much more  
I can't keep you happy  
If I ain't happy myself  
Had enough of playing games  
The lies you said  
The reason why I must let go  
The things you put me through  
You will never know  
I know why it's taking all of this time  
You're the reason why I cry  
Now I know what I can't see  
I can't see the girl you want me to be

When I look in the mirror  
You don't know what you want so I'll leave  
(What do you want me to be)  
I have got to be me  
'Cause what you want isn't me in the mirror  
I wanna love someone  
Who loves me for me, yeah, for me, yeah  
I wanna love someone  
Who loves me for, for me  
I can't see the girl, no  
I can't see the girl you want me to be  
(I can't see)  
When I look in the mirror  
You don't know what you want so I'll leave  
I have got to be me  
'Cause what you want isn't me in the mirror  
I can't see the girl you want me to be  
(What I wanna be)  
When I look in the mirror  
(Look in the mirror)  
You don't know what you want so I'll leave  
(I gotta leave)  
I have got to be me  
'Cause what you want isn't me in the mirror
