these wings

Andrews, Jessica

Love was always letting me down
You know what I mean, the man of my dreams
Should knock me off my feet like you're doing now boy now
You figured it out, boy, how
How did you reach down inside and find a butterfly?
I'm a butterfly learning how to flyThese wings they fly away, high away
I want to hide away
These wings they fly away, high away
I want to hide away, ohHard, every day was so hard
Now don't they go by like riding a slide?
Get to the end, fly off into the night, boy, night
Everything is so right, boy, right
Now I could just circle the moon and bring it back to you
Bring it back to you, there's nothing I can't doThese wings they fly away, high away
I want to hide away
These wings they fly away, high away
I want to hide away, oh yeahLike you're doing now, boy, now
You figured it out, boy, how
How did you reach down inside and find a butterfly?
I'm a butterfly, watch me flyThese wings they fly away, high away
I want to hide away
These wings they fly away, high away
I want to hide away, ohThese wings they fly away, high away
I want to hide away
These wings they fly away, high away
I want to hide away, ohThese wings they fly away, high away
I want to hide away
These wings they fly away, high away
I want to hide away
