This is the foundation
The foundation that made me
These are my niggas
I guess this is one way to make the world safe

See this thing
This thing is inseparable
We bout to do somethin now
We about to make history

Haters can't stop this
I got love for my fans
They the people that wasn't even dealin with us

But I guess you know now
I hope you know now
That the Dru World Order
The Dru World Order has begun
