

Soul Flower (remix)

The Pharcyde

People hint and wonder and they want to know how and why
but let me first introduce myself I'm tagging name Romye
I'm 20 years of age I ran across some bullshit
People promise you bowl of cherries but don't forget there are pits
No hints, it's quicks, it's like the water and grits
They got another boy who can rhyme and do the fly flips
And that's I high I better get by because my ally
about to flip that crazy shit while I go look for some Thai

I need some zig-zag, zig-zag [Repeat: x4]
How I need those zig-zag
(I need some) zig-zag, zig-zag
How I love to get high

What the?
Oh what the heck
Niggas just want to get wrecked to the track
It's brand new and heavy as a Chevy and in fact
The Pharcyde is coming and I hope we're not wack
But at this point there's no turning back
But to be exact, I've got more flavors than a bucket full of fruit
In 92 we take cash 93 we take loot
Because the vinyl is delicious
I'm the nigga who's got bitches
Michael Ross is the genie he's giving our wishes
One I want to just jam with your band
Two two two
You gotta play it all across the land
Three three three
The plan is grab the ducats and say fuck it to the critics hey now
I was walkin' down the street ballin' to the beat
Phat beats in my head tennis shoes on my feet
Nigga tried to flex but he had to be smoked
So I shot him in the ass on the down stroke
Shot him in the ass on the down stroke
What?
Shot him in the ass on the down stroke
Yep
Shot him in the ass on the down stroke [Repeat: x5]

Shot-him-in-the-ass-on-the-down stroke

Souped on the beat like a bowl of chicken noodles

I love Spanish dishes but no I'm not Menudo

I can dig Kung-Fu I flip hoes like Judo

Never date a chick who has a mom named Bruno

A anna bonanna banana fana funo

Yet you know Shafino

Met her in a trio

Souped up my (glass) jet flew her at the wheel

I'm somewhat Creole

Don't like the man of steel

I'm not your carbon copy but your first rap (jalopy) for real

I used to deal but the fuzz popped me

I had the hydros but they repo'd my crops and steel

I chills like scotch on the rocks

'Cause I just gets paid for them hard-core props

You know?

How long can you freak the funk?

How long can you freak the funk?

I separate the good stuff from the junk

How long can you freak the funk

Yeah, freak the funk

All right, freak the funk

Freak the funk [Repeat: x4]

I want the farmer man. Farmer man.

I want the farmer man. You want the farmer man?

Yeah, I want the farmer man. You don't want no farmer man.

Give me the farmer man. Once again it's the farmer man.

I go from skip-skop to hip-hop to be-bop to P-funk

Cutting enough bullshit to turn a tree into a tree trunk

'Cause we've sunk ships from the Pacific to the Atlantic

I dig dips who've got the hips that are gigantic 'cause I'm frantic

Take you in a frenzy

Takin' you out is easier than pullin' a pull-out out of a Benzie

Box well I rocks the orthodox styles to make you squirm

Yes I come from Callie no I do not have a perm

I stand firm on the mic device when I gets nice

Don't roll the dice if you can't pay the price

I got more flavor than 7-11 Slurpee's

If Magic can admit he got AIDS, fuck it, I got herpes

Ah shit.
NS, NS
Sounds like NS to me!
