Losing California

Sloan

Advisory - the following lyrics contain explicit language:

You hit rock bottom and everybody knows it
But does anybody care how you got there?
Admit to yourself that everything's a problem
But when it comes down what do you careThey're losing California
Inch by inch sit back and watch it go
Coming in clearly
Dance dance dance to the radioAnd everybody loves it but
Nobody knows what it stands for
Get into yourself in dark sunglasses
And elevate it all 'til it means moreAnd move out to California
Inch by inch sit back and watch it go
Coming in clearly
Dance dance dance to the radioSometimes it's too much
You want to get right out of your mind
Sometimes it's too much
You're gonna go right out of your mindYou hit rock bottom and everybody knows it
But does anybody care how you got there?
Admit to yourself that everything's a problem
But when it comes down what do you care?Sometimes it's too much
You want to get right out of your mind
Sometimes it's too much
You're gonna go right out of your mindCalifornia
Inch by inch, sit back and watch it go
Coming in clearly
Dance dance dance to the radioCalifornia
Inch by inch, sit back and watch it go
Coming in clearly
Dance dance dance to the radio
