

Losing California

Sloan

Advisory - the following lyrics contain explicit language:

You hit rock bottom and everybody knows it
But does anybody care how you got there?
Admit to yourself that everything's a problem
But when it comes down what do you care? They're losing California
Inch by inch sit back and watch it go
Coming in clearly
Dance dance dance to the radio And everybody loves it but
Nobody knows what it stands for
Get into yourself in dark sunglasses
And elevate it all 'til it means more And move out to California
Inch by inch sit back and watch it go
Coming in clearly
Dance dance dance to the radio Sometimes it's too much
You want to get right out of your mind
Sometimes it's too much
You're gonna go right out of your mind You hit rock bottom and everybody knows it
But does anybody care how you got there?
Admit to yourself that everything's a problem
But when it comes down what do you care? Sometimes it's too much
You want to get right out of your mind
Sometimes it's too much
You're gonna go right out of your mind California
Inch by inch, sit back and watch it go
Coming in clearly
Dance dance dance to the radio California
Inch by inch, sit back and watch it go
Coming in clearly
Dance dance dance to the radio
