and you will hurt me Tuesday  
I will kill you Thursday  
if you don't stop me Wednesday  
forgive you on a Friday  
reunion on a Saturday  
forgotten all on Sunday

365 day's of a year  
running around, running around  
and going nowhere  
365 day's and nights  
365 tries to make it right

and you will hurt me Tuesday  
I will kill you Thursday  
if you don't stop me Wednesday
