

California Bound

Eyeshine

They called me a daydreamer
For most my life
But what's it all worth if you
Don't give it a try?

It won't be long
'Til it's my time
I don't belong
But I'm gonna shine

Tonight I leave my town
My heart won't make a sound
These days are winding down
And I'm California bound

Nothing to stop me now
From running out that door
All my hopes and dreams
Are crying out for more

I believe I will meet
Victory
I'm gonna be who I'll be
If it's up to me

Tonight I leave my town
My heart won't make a sound
These days are winding down
And I'm California bound

And I'm California bound (X2)
