

Diva Satanica (Live in Japan 1999)

Arch Enemy

Divine queen of evil
Sowing her seeds of hate
Mistress of pain
Diva Satanica Master of temptation
Chorus: Medusa abuser both beast and beauty
Seducer she'll use you bring you to your knees Blinded by her infinite beauty
You are lured into the temple
The smell of incense burning
Bride of Satan
This carnal pleasure yearning
Too late you realise
Transgress the rules of this world
This love is ripping you apart
Chorus: Medusa abuser both beast and beauty
Drinking the blood
Eating the flesh
Seducer she'll use you as fodder for her dreams
She's getting high on you
There is always more blood to spill Watching you die gives her a thrill
