

Ghost Love Score

Nightwish

We used to swim the same moonlight waters
Oceans away from the wakeful dayMy fall will be for you
(My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed foreverMy fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever)Scent of the sea, before the waking of the world
Brings me to thee, into the blue memoryMy fall will be for you
(My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed foreverMy fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever)Into the blue memoryThe siren from the deep came to me
Sang my name, my longing
Still I write my songs about that dream of mine
Worth everything I may ever beThe child will be born again
That siren carried him to me
First of them true loves
Singing on the shoulders of an angel
Without care for love 'n loss(instrumental)Bring me home or leave me be
My love in the dark heart of the night
I have lost the path before me
The one behind will lead meBring me home or leave me be
My love in the dark heart of the night
I have lost the path before me
The one behind will lead meTake me, cure me, kill me
Bring me home, every way, every day
Just another loop into the hangman's nooseTake me, cure me, kill me, bring me home
Every way, every day I keep on watching us sleep
Relive the old sin of Adam and Eve
Of you and me, forgive the adoring beastRedeem me into childhood
Show me myself without the shell
Like the advent of May, I'll be there when you say
Time to never hold our loveMy fall will be for you
(My fall will be for you

My love will be in you
If you be the one to cut me
I'll bleed foreverMy fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever)My fall will be for you
