

# We Three Kings

## Tenth Avenue North

We three kings of Orient are  
Bearing gifts we traverse afar  
Field and fountain, moor and mountain  
Following yonder starBorn a king on Bethlehem's plain  
Gold I'll bring to crown Him again  
King forever, ceasing never  
Over us all to reignO star of wonder, star of night  
Star with royal beauty bright  
Westward leading, still proceeding  
Guide us to thy perfect LightGlorious now behold Him arise  
King and God and Sacrifice  
Alleluia, alleluia  
Sounds through the earth and skiesI'm gonna need, gonna need some perfect Light  
I'm gonna need, gonna need some perfect Light  
I'm gonna need itLet your light shine, let your light  
Let your light shine, let your light  
Let your light shine, let your light  
Let your light shine, let your light  
Let your light shine, let your light (come on)  
Let your light shine, let, let your light shineCome on, guide us to thy perfect Light  
Come on, guide us to thy perfect Light  
We're all gonna need, gonna need some perfect LightSo let your light shine, let your light  
Let your light shine, let your light
