## Ibeyi

All my dreams lead to you  
Queen of my thoughts, Yani  
All my dreams lead to you  
Queen of my thought, Yani I still feel you in my skin  
Can you disappear, Yani? Why did faith make you go? Will we meet in heaven?  
Meet in heaven?  
Yanira 4x When, i am not alone  
You never come by  
Yani  
Then at night you are there  
But i wake up on my own Yani Why did faith make you go?  
Will we meet in heaven?  
Meet in heaven?  
Yanira 4x We will meet in heaven, meet in heaven  
We will meet in heaven, meet in heaven  
We will meet in heaven, meet in heaven  
We will meet in heaven, meet in heaven Yanira  
Yanira
