

# Sofia

## West Indian Girl

If I should leave and never return  
    Lite a candle and let it burn  
    'Cause light transcends time  
And when it's raining on the avenue  
    A wind will blow me back to you  
This time it's for real Come home, Sofia If you see a light just off the road  
    A line of footsteps in the snow  
    Don't stop, you're almost home  
    Knock three times and ring the bell  
    You'll hear a voice you knew so well  
It takes you from the cold Come home, Sofia She's floating up to outer space  
    And this time it's for real  
When I look back it comes to me  
    Love is a symphony and  
    She and God are one
