Ooh-Ooh

Ah, here we go now, ohLike a great boy, all my other women are insoles  
We're thinkin' about the great expedition as popped as we choseSo we come, throwing here all on the scene  
Though we go on and on

Come, come, come follow me Britney (yeah)Open that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop (can't stop, no)

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stopWe might start riding to the music tonight

A clever way to get by, oh

The pops keep flowin' like it's fire and ice

So give it a little blind, so, ohOpen that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stopOoh-oooh, we have a plan, we have a definite plan

To level the vibes (vibes)

To level the vibes again (ooh yeah)

See, where ya ba-do for a superlative self (oh yeah)

A wicked time to the end (oh yeah)

SoOpen that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stop, noOpen that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stopSo much pop we're losing, sittin' watching the clock (watching the clock)

Turn the tables baby, let's go over the top (take it to the top now)

No one else will do

I'm waiting for you

So show me what you got, just take a pop shot

And we will never stop shu-bop, shu-bopYeah, mm-hmm

The clock is tickin' and we can't stop

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stopGirls we need him like we've never before (before, before, before)

And lovin' it til we drop (we drop, we drop, yeah)

We'll flex tonight until they break down the door (oh yeah)

The party won't ever stop, soOpen that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop

Open that soda pop, bop-a shu-bop shu-bop

The clock is tickin' and we can't stopOpen that soda pop, watch it fizz and pop

The clock is tickin' and we can't stop  
Open that soda pop, bop-a shu-bop shu-bop  
The clock is tickin' and we can't stop I bet you we can pop like we've never popped it before  
Why we keep comin' back for more and more for sure (sure)  
It's cool Britney when we get down on the floor, yeah  
And we go on and on until the break of dawn Open that soda pop, watch it fizz and pop  
The clock is tickin' and we can't stop  
Open that soda pop, bop-a shu-bop shu-bop  
The clock is tickin' and we can't stop All we gotta do is just  
Open that soda pop, watch it fizz and pop (oh yeah)  
The clock is tickin' and we can't stop
