

# Dream Again

## Starling

It's got to be, just you and me  
Starting again, beginning to end  
Simplicity, breaking free,  
To see clearly again, all this must end  
But I know that it's never gonna be the same  
It's never gonna be the same. Oh, I'm gonna dream again Hold me closer, and forge our hearts The new unknown,  
has it's own  
Flicker of hope calling me home.  
The northern star, is in my heart  
Stirring my soul, where God only knows
