

Ronnie Is a Psycho

Parasites

Ronnie is a psycho and he doesn't understand.
I wish someone would tell him he's no longer in my band.
Ronnie's got a problem he's afraid to drive a car;
each day he'd like to tour but he can't push his amp that far.
He got kicked out five years ago,
but he still doesn't seem to know.
I wish someone would make him go away.
Ronnie is
Ronnie is
Ronnie is a psycho-oh-oh
Ronnie is
Ronnie is
Ronnie is a psycho-oh-oh
oh a-woah-oh a-woah woah-ohhhhhhhh
oh a-woah-oh a-woah woah-ohhhhhhhh
Ronnie is a psycho and he spends all day in bed.
That hooker really liked him, well at least that's what he said.
Ronnie is a pussy but he thinks he's really tough;
if I come to his house he'll have his sister beat me up.
His band can't think of any name,
so his and mine are still the same;
the difference is they don't know how to play.
Ronnie is
Ronnie is
Ronnie is a psycho-oh-oh
Ronnie is
Ronnie is
Ronnie is a psycho-oh-oh
oh a-woah-oh a-woah woah-ohhhhhhhh
oh a-woah-oh a-woah woah-ohhhhhhhh
Ronnie is a psycho and he isn't very bright.
He sure is parasitic but he's not a parasite.
Ronnie is a lose end and it's getting old real fast,
and if he doesn't disappear we're gonna kick his ass.
Now all he does is watch TV,
and tell his mom why he hates me.
I wish he'd move to Yugoslav-i-a.
Ronnie is
Ronnie is

Ronnie is a psycho-oh-oh

Ronnie is

Ronnie is

Ronnie is a psycho-oh-oh

oh a-woah-oh a-woah woah-ohhhhhhhh

oh a-woah-oh a-woah woah-ohhhhhhhh

oh a-woah-oh a woah woah-ohhhhhhhh

oh a-woah-oh a woah woah-ohhhhhhhh
