

# Mr. Natural

## Bee Gees

Burning embers, I still remember  
All of those little things  
But I don't feel it so much 'cause I am so out of touch  
With my heart and it won't sing  
Rusty rainbows, that's how the pain goes  
Turning me inside out  
Well, I come home at night and you are out of my sight  
Yes, I'm dying and there ain't no doubt  
Well, I'm dying and there's no way out Well, I try, try, try, try, try  
Mr. Natural, come on baby  
When I walk in the rain you won't know that I'm crying  
A smile on my face and I'm trying  
I'm trying to understand  
That a love that is lost can never be found again  
And you see me dance, I look like a happy man Just when I think I'm getting it over  
An old friend I should see  
He said he knew you well and baby I could tell  
You know, he knew you even more than me  
I went home laughing and inside I'm crying  
We had a special thing  
You know I loved you so much, but girl I'm so out of touch  
With my heart and it won't sing  
You know my heart just won't sing Well, I try, try, try, try, try  
Mr. Natural, come on baby  
When I walk in the rain you won't know that I'm crying  
A smile on my face and I'm trying  
I'm trying to understand  
That a love that is lost can never be found again  
And you can see me dance, I look like a happy man
