

I Need You

Marc Anthony

From the day that I met you, girl, I knew that your love would be
Everything that I ever wanted in my life
From the moment you spoke my name, I knew everything had changed
Because of you I felt my life would be complete Oh baby, I need you for the rest of my life
Girl, I need you to make everything right
Girl, I love you and I'll never deny that I need you Nothing matters but you, my love, and only God above
Would be the one to know exactly how I feel
I could die in your arms right now knowing that you somehow
Would take my soul and keep it deep inside your heart Oh baby, I need you for the rest of my life
Girl, I need you to make everything right
Girl, I love you and I'll never deny that I need you Girl, your love to me feels just like magic
When you smile you have total control
You have power like nothing I felt before
I've let all of my feelings show
'Cause I want you to know that I need you I need you for the rest of my life
Girl, I need you, say that you'll be my wife
Oh, I love you, won't you marry me, marry me? I need you Oh, I need you for the rest of my life
Oh, I need you, won't you marry me, marry me? I
I really need, baby, I need you
Girl, I really need, I need you
Girl, I really need, I need you, need you, baby Oh, baby, I need you
Girl, I really need you, need you
Babe, oh baby, won't you marry me?
Oh, won't you marry me, marry me? I love you
Oh, I need you
