Sweet Love

Charlie Wilson

There was a time when I couldn't see
See her beauty standing there right before me
You see how look for love in all the wrong places
And the more I think about the past
I was a such a fool and makes me laugh

Cause I never
Thought I never
Making love to you (sweet love Sweet love)
Such a sweet love
Cause I never
Saw us together
Giving love with me
To you to you baby

There was a time when I didn't know
That you be the only one
That will not let go
You take care of me baby
How could I be so crazy
Crazy yeah of her

Cause I never
Thought I never
Making love to you (sweet love Sweet love)
Such a sweet love
Cause I never
Saw us together
Making love to you (sweet love sweet love)
Sweet love to you

Girl you know
You are the best of me
Everything is quite sure to be
And finally realize you are here
So please don't leave me
You made for me and I'm made for you
To finally see the truth
About sweet love

"please please please please please please bhie"

Making love to you
Oh oh
" all I wanna do is make sweet love
Sweet love to you baby sweet love
Cause you leave me baby "

Cause I never never never
Thought I never
Making love to you (sweet love Sweet love)
Cause I never
Saw us together
Making love with me (sweet love sweet love)
Making love to you to you baby
Now is the time when I couldn't sleep baby
See her beauty standing there right before me
You see I like my love in the wrong places
And the more I think the past
Such a fool and makes me laugh
So I never did baby
