Over and Out

5 Seconds of Summer

[Verse 1: Calum]
Take your seat and just listen up
Cause this rhyme with reason done too much
I'm a dime a dozen throw to sea, you'll have to wait and see
You can't have all of your outbreaks
If you let me make my own mistakes
I lie awake in my own head[Chorus: All]
Because of you, I'm gone for good and that's the truth
Because of you, I'm gone for good, I'll be brand new
You can break me down, just like you did before
Because of you, I'm gone for good and that's me over and out[Verse 2: Michael]
I hear the sirens at the door
They're always coming back for more
I'm left with pockets of regret, swear I won't forget
The tragedy lost your chances
Believing in second chances
I lie awake in my own head, woah[Chorus: All & Michael]
Because of you, I'm gone for good and that's the truth
Because of you, I'm gone for good, I'll be brand new
You can break me down, just like you did before
Because of you, I'm gone for good and that's me over and out
That's me over and out[Bridge: Luke]
So take me as I am, take me for everything
Replacing who I am, with who I'd rather be
So take me as I am, take me for everything
Replacing who I am[Chorus: Luke & All & Michael]
Because of you, I'm gone for good and that's the truth
Because of you, I'm gone for good, I'll be brand new
You can break me down, just like you did before
Because of you, I'm gone for good and that's me over and out
That's me over and out
That's me over and out
