

Damaged Goods

Kenny Wesley

VERSE

You push me back, and you've got ten reasons why
When you go silent girl you're screaming inside
You look so nervous always licking your wounds
Walking in circles can't get out of the room

PRE-CHORUS

I think about the way we're fighting

Think about it night and day

I can see the colors yeah they get in the way

In your mind you're broken-hearted

And you know I feel the same

Can we the put it back together again, oh

HOOK

Oh, oh (damaged goods, yea)

Oh, oh

Oh, oh (damaged goods, yea)

Oh, whoa

Everyone's broken, baby we're broken too

That's how we got it, girl, a table for two

VERSE 2

I get so angry yeah I'm stuck in the dirt

I keep reheating all the pain and the hurt

I know that I'm damaged goods, and you are, too

Ain't no excuses girl let's push on through

PRE-CHORUS

In your mind you're broken-hearted

And you know I feel the same

Let's put the pieces back together again, oh

[HOOK]BRIDGE (vocal round)

Everyone's broken, baby we're broken too

That's how we got it, girl, a table for two...

Oh, oh

Oh, oh

Oh, oh

Oh, whoa (repeat)
