

Surfin' (feat. Pharrell Williams)

Kid Cudi

Kid Cudi: Hmm, yea, hmm, yea
Hmm, yea, yea, yea, yea
He-ee-ey, he-ee-ey Now I ain't riding no waves
Too busy making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Surfing on my own wave Tonight is a natural call
I done told y'all, this the cinema
I am on my Kubla Khan
Like a Spielberg Close Encounter form
Feeling awesome to be back, and I'm merking on competition
Making what I want and thats a flex
Give me one trip and I'll leave with your bitch
Smoke with me when this shit on
Magical feel
I go dumb on the hums
Mhmm, mhmm, mhmm Now I ain't riding no waves
Too busy making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Surfing on my own wave The industry is so full of shit
Welcome y'all to the enema
Nah man that's subliminal
Cause they insecure, they know who they are
Feeling awesome to be back, and I'm working on competition

Everything that I do is a flex
If you don't get me, not my issue bitch
[?] when the show come
Keep the magic in my palms
Man I go dumb on the hums
Mhmm, mhmm, mhmm Now I ain't got no issue
I'm just making my own wave, baby
I ain't got no issue
I'm just making my own wave, baby
I ain't got no issue
I'm just making my own wave, baby
I ain't got no issue
I'm just making my own wave, baby
Surfing on my own wave
Aaaah, aaaah, aaah, aaah Now I ain't riding no waves
Too busy making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Now I ain't riding no waves
I'm just making my own wave, baby
Surfing on my own wave
Aaaay, aaay, nananaay
Nananaay, nananaay
Nananaay, nananaay
Aaah, aaaah, aaah
Aaah, aaaah, aaah (Aaah, aaaah, aaah)
