

You Only Live Once (The BoorKids Remix)

Suicide Silence

Push your care, push your burdens aside.
Erase everything inside and leave just one thing on your mind. You only live once so just go fucking nuts. Live
life hard.
Live life hard. You only get one shot, so shoot. With every breath you take, you're dying.
With every step we take we're falling apart.
If we only had one chance
We'd breathe.
Let's take the chance right now, and scream! You only live one life.
For a very short time.
So make every second divine. Go! Live life hard.
Live life hard. Are you still breathing?
It's your heart that's beating inside
That keeps us alive.
And for the very first time we're pushing aside.
To surrender everything that I see in my eyes.
Except for the one thing on my mind;
That I am alive
For the very first time For the first time.
Pushing worry aside.
For the first time.
Pushing worry aside. Erase everything inside.
Erase everything inside.
Erase everything inside and leave just one thing. You only get one shot. You only live once so just go fucking
nuts
You only live once so just go fucking nuts
You only live once, go fucking nuts
You only live once so just go fucking nuts Live life hard
Live life hard
Live life hard
Live life hard
