

Wonderful (remix)

Ashanti

If it wasn't for the money, cars and movies stars and jewels
And all these things, I've got, I wonder, hey
Would you still want me
(Want you)
Would you still be calling me
(Still calling you)
You be loving me?
(I'll be loving you)
Wanna keep you flawed with no dough
Pimpin' ain't easy trust me I know
When gangstas and hos go go go go go together
Like chinchilla and bad weather I'm good but been better
All my bros, chedda and glamorous things
Copped a few cars a crib with a east and west wing
'Cuz this is how I'm livin' and y'all women know the secrets
Of how to get it and keep it how to prey on my weakness
'Cuz I want the P U S S Y
Got a lotta niggaz wonderin' it ain't just I
Gotta keep ya cash comin' and that's on my life
If it wasn't for the money and the things I got
She probably wouldn't like me
But I keep her and Irv and Jeffrey quite icy
Sip seraphin' who doesn't like me
And the murderous I N C
If it wasn't for the money, cars and movies stars and jewels
And all these things I've got I wonder, hey
Would you still want me
(Want you)
Would you still be calling me
(Still calling you)
You be loving me?
(I'll be loving you)
I wonder why love is about money
And why you wanna take it all from me
Honey my life is dark but its lovely
Crimes cars cribs ain't that right Kelly?
(Oh oh oh oh oh oh)
Yall don't know money ain't a thang
Mami need a lil' change girl I'm pitchin' quarters

Closest to the arches but live in a fortress

New Benzes new Porsches new cases new lawyers
I'm becoming the infamous notorious rule
 Couldn't walk a mile in my shoes
 Don't possess the heart that I do
 And it's a wonder that I'm still here
 Thought I was gone but I'm still here
 And all you that left me here
 Its kinda funny how you right back there
If it wasn't for the money, cars and movies stars and jewels
 And all these things I've got I wonder, hey
 Would you still want me
 (Want you)
 Would you still be calling me
 (Still calling you)
 You be loving me?
 (I'll be loving you)
 Oh Ashanti
Now how many nights does it take to make you
 Believe my love, all these years
 To have your kiss how could you wonder
See i was with you through the rain and the thunder
 And all my crime and I came would you grunder
 Now tell me baby, do you still wonder
 'Coz I'm that chic from INC
 Some try to front 'em chics ain't me
Straight to the top y'all all gone see all my names say
 It's a wonder why we still here
 And all this hating and were still here
 You didn't think that we would be here
 Ain't no mistaking this is our year
If it wasn't for the money, cars and movies stars and jewels
 And all these things I've got I wonder, hey
 Would you still want me
 (Want you)
 Would you still be calling me
 (Still calling you)
 You be loving me?
 (I'll be loving you)
