Babymaker

Day26

[Talking & Singing: Willie]
Baby
I know you ain't use to this
But I got something special planned for you
Uh...
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa

[Verse 1: Que (Ad-libs: Willie)]
Here we are (Off up in this room)
The chemistry (Between me and you)
Now's the time (I'll show you my new moves)
(Whatever you want I'm gonna do)

Go head don't waste your class I wanna showcase it off
Gone treat you like my coach and show you that I can ball
Damn, watch me do it
Damn, let's get to it

[Chorus: Que]
This is a baby maker
After we leave the club I'll make you my baby later
Have you goin' up and down like we on a elevator
You ain't gonna go back after what I gave ya
Whoa...
This is a baby maker
After we leave the club we'll be making later
Goin' up and down like a elevator
You ain't gonna go back after what I gave ya
This baby maker

[Verse 2: Robert]
Wait a minute, wait a minute, wait a minute girl turn the music down now
Cause I wanna hear the sound now
Of your moaning and groaning
Go drop that dirty a** just like I like baby

Your hair, your waist, your thighs I wanna showcase it off

Gone treat you like my coach and show you that I can ball
Yea, watch me do it
Damn, let's get it to it

[Chorus: Robert]
This a baby maker
Baby later
Were goin up and down like we on a elevator
You ain't coming down after what I gave ya
This is a baby maker
After we leave the the club I'll make you mine
Goin up and down like we on a elevator
We'll go back to what you had after what I gave ya
On this baby maker

[Bridge: Willie]
Drop your clothes down to the floor (Drop'em to the floor)
Turn ya body over to the floor (To the floor)
Lay back, relax and enjoy the show
I got that [5x]
Drop your clothes down to the floor (Yea)
Turn ya body over to the floor (Yea)
Lay back, relax and enjoy the show
I got that [5x] (Oh...)

[Chorus: Willie]
This is that baby maker
Baby later
(Baby leave the club with me)
Elevator
What I gave ya
(You ain't gonna, wanna go back after what I gave ya)
This a baby maker (Baby maker)
Baby later
(What we goin up and down like)
Elevator
What I gave ya
(What I gave you)
This baby maker
(Oh...)
