Talking in Tones

The Charlatans

I never liked the fact
And I don't like to moan

I thought we had a pact
Talking in tones

I don't know how to act
When you pick up the phone

I'll start filling in the gaps
Talking in tones

Talking in tones

Ooh
I feel strengthened
By your presence

Ooh
It's like heaven
In six's and seven's

Just keeping us on track
Talking in tones

Ooh - Ooh
I feel strengthened
By your presence
It's like heaven

It's like heaven
It's like heaven
