Behind the Music

Cher Lloyd

No you don't stand a chance

For a second in my world

The same old song

It won't last long

If you can't stand behind the music

All the fame, all the girls

All the money in this world

They don't mean sh-, better admit

If you can't stand behind the musicSo stand up

Show 'em how we do it

Won't back down until I see your

Hands up

Tell 'em what the truth is

Stand behind the musicYou gotta get behind

Cross your heart, hope to die

Splash of hype

Dash of pretty that don't mean I'll buy

Okay alright already

They getting money

From all the frauds, all the phonies, all the fakes

Slow down

It's a fast paced world

Breathe, breathe

Look my face in the mirror say

"Who the heck am I?"

Look me in the eye

Is this conviction or addiction or a waste of time? Just name a genre

Yeah I've tried it

Been doin' this from 15 to life, yeah

I need a break already

I gotta find it

And for the first time in my life, I'm doing my schtick

I, I, I wanna stand in this

Pop star frenzy

Girls getting praise, look at Nikki look at Katy

Chew it up

Make my teeth rot

You think I'm talkin' to ya?

I'm probably not (Not)No you don't stand a chance

For a second in my world

The same old song

It won't last long

If you can't stand behind the music

All the forme all the circle

All the fame, all the girls,

All the money in this world

They don't mean sh-, better admit

If you can't stand behind the musicRewind

When I was a little younger

Lookin' for a label and a little clean danger

LA had a taste for a (New adventure)

We opened every "do not enter"

Yeah I was tryin' hard to be somebody

Be the cool kid at the party

Lookin' at me la-di da-di, hottie hottie, hot tamale

Stranger feelin' up my body

Told me I could be somebody

Wait,

Someone stopped me, went home and I called my mommy

Oh no, I'm not that girl

I still wanna be the leader of the free world

Yeah I'm a big dreamer

I'm a believer

Just try to tell me no, I'm a go full steam ahead

No, can't slow me down

Run this town from the inside out

Block by block from the bottom to the top

I know just who I am

And I know just who I'm notNo you don't stand a chance

For a second in my world

The same old song

It won't last long

If you can't stand behind the music

All the fame, all the girls,

All the money in this world

They don't mean sh-, better admit

If you can't stand behind the musicSo stand up, show 'em how we do it

Won't back down until I see your hands up

Tell 'em what the truth is

Stand behind the music

Yeah, stand up, come on let me see your

Front row up to the nose bleeders

Hands up, if you really need it

Stand behind the musicNo you don't stand a chance

For a second in my world

The same old song It won't last long If you can't stand behind the music
