

Since I Fell For You

Jane Laverne Powell

When you just give love and never get love
 You'd better let love depart
 I know it's so and yeah I know
 I can't get you out of my heart
 You made me leave my happy home
 You took my love and now you've gone
 Since I fell for you
 Love brings such misery and pain
 I guess I'll never be the same
 Since I fell for you
 Well it's too bad, it's too sad
 But I'm in love with you
 You love me and you snub me
But what can I do when I'm still in love with you?
 I guess I'll never see the light
 I get the blues most every midnight
 Since I fell for you, since I fell for you
