

Let's Go (from 'Salvation')

New Order

You know it never meant much to me
There's something on your mind that I couldn't see
It didn't hurt me too much to find
You were seeing someone else for all of this time You know that I don't care
And I'd like you to know that I don't care
I don't need your sympathy
Why don't you ever look at me? You did nothing for me
You did nothing I see
You did nothing for me
You did nothing There's no today and there's no tomorrow
Where you find sadness I find sorrow
Nobody knows but it always shows
I think, I'm losing my mind but that's the way that it goes And it's fine, all those lies
I can see the truth lies in your eyes So I guess we are through
You did to me what I did to you
I don't need your sympathy
'Cause you don't mean that much to me
