Little By Little

Radiohead

Turn to nasty now
The dark cell, the pit of my soul
The last one out of the box
The one who broke this spell
Little by little, by hook or by crook
I'm such a tease and you're such a flirt
Once you've been hurt
You've been around enough
Little by little, by hook or by crook
Never get nervous
Never get judged
I'm no idiot, I should look
The glue won't hold the thread above
Come win with my love

The last one out of the box
The one who broke this seal
Obligation, complication
Routines and schedules
Drug and kill you
Kill you
Little by little, by hook or by crook
Never get nervous
Never get judged
I'm no idiot, I should look
Little by little, by hook or by crook
I am such a tease and you're such a flirt
