The Consequences Of Not Sleeping

Little Green Cars

Back on my track if I passed you,
where would I be now?
Cause I only live to love you
and I'm dead when you're not aroundBut we don't have to go out anymore
We can just retire
If I crack you don't have to put me back
But if you leave me now I'll dieAnd I'd go blind just to see you
I'd even sell my soul
Just to put what's in you inside of me
that makes me love you so
And I get scared when I'm not there
cause no one can take care of you like me
And I'm not strong but if something's wrong,
well I'll carry anything that you needBut we don't have to go out anymore
We can just retire
If I crack you don't have to put me back
But if you leave me now I'll die
