Fish On the Sand

George Harrison

I know you're in the sun
I know you're close to ev'ryone
At times it's like you don't have a hold on meI see you in the love
I see you in the moon above
But I want to know that you're not lost inside of meYou know I need you
You know I love you
If I'm not with you
I'm not so much of a man
I'm like a fish on the sandYou call me in the night (you call me in the night)
And hide behind the daylight
You're blowing like a wind, you don't let me seeYou know I feel a pain (you know I feel a pain)
I'm tired of playing games with you
Though there's nothing else I want that would set me freeYou know I love you
You know I need you
If I can't be with you
I'm not so much of a man
I'm a fish on the sandNo use to no one else, they've all dried up
Watching all our lives go by
I can't believe you'd want to see me cryingI hold you in my heart (hold you in my heart)
I know that you're a part of me
But it's a must to know that you love me tooI look you in the eye (look you in the eye)
You're swimming by my teardrops
But I want to know for sure that you'll let me seeYou know I want you
You know I need you
If I'm not with you
I'm not so much of a man
I'm like a fish on the sandYou know I need you
You know I love you
If I'm not with you
I'm not so much of a man
I'm a fish on the sandNot so much of a man
More a fish on the sand
