

# Small Town Boy

Ryan Sheridan & Artur Graczyk

Everyone wants to be a small town boy  
With big town dreams in a small town world  
So I express your fears to a fresh pair of ears  
And I'll tell you once, then make you steer  
    'Cause I already know  
    'Cause I already know  
Image is dead for the price of your sight  
    So they'll say, then change your mind  
    Express your tears to a new found fear  
And trust the one with the following cheer  
    'Cause I already know  
    'Cause I already know  
    Let's get out of here  
    Let's get out of here  
So this is your chance, don't mess it up  
    'Cause everybody's watching  
    You know, everybody's watching you  
So this is your dance, make of it what you will  
    'Cause you know everybody's watching you  
    Let's get out of here  
    Let's get out of here  
    Let's get out of here  
    Let's get out of here
