It's Too Late Now

Cuff Links

ITâ€™S TOO LATE NOW
The Cuff Links

Time is running out, a new love I have foundâ€¦.

Itâ€™s too late now, you and I are through
Itâ€™s too late now, to ever start anew
It wouldnâ€™t be the same anyhow
But darling, itâ€™s too late now.

Time runs out, you had your chance with me
You played around, oh baby canâ€™t you see
Iâ€™ll get along somehow
But darling, itâ€™s too late now.

I gave you my love for all that I had
You just took it all for granted
And just because I found somebody new
Now you want to get romantic- ohhhâ€¦
