Heavy Liftin'

[Blake Shelton](#)

I hit the ground runnin' with the mornin' sun
When a job needs doing I get it done
I show up early and I go home late
Everybody knows I pull my wieght'Cause I don't mind doin' a little heavy liftin'
I'm always givin' my everythin'
Even when I'm hurtin', I keep on workin'
And as long as I'm still alive and kickin'
I'll be stickin' to the heavy liftin'Oh baby I heard he done you wrong
The going got tough and he got gone
Well he ain't here and I ain't him
And even if the walls come fallin' inYou know I don't mind doin' a little heavy liftin'
I'm always givin' my everythin'
Even when I'm hurtin', I keep on workin'
And as long as I'm still alive and kickin'
I'll be stickin' to the heavy liftin', yeahBaby when you heart is achin'
Lean on me, my back ain't breakin'
All I'm sayin' isI don't mind doin' a little heavy liftin'
I'm always givin' my everythin'
Even when I'm hurtin', I keep on workin'
And as long as I'm still alive and kickin'
I'll be stickin' to the heavy liftin'Honey I ain't quittin'
I'm always givin' my everything, yeah
As long as I'm still alive and kickin'
I'll be stickin' to the heavy liftin', yeah
