

# Get Me

J Mascis

I don't see you,  
I won't call you I don't know enough to stall you is it me,  
Or is it all you?  
Guess, it's on and on on a day,  
Maybe I'd show you but it's the least of all I go through but the  
Is I don't know you and it's on and on  
Trembling words don't make my eyes close  
And if anyone then you'd know I can't find out  
Cause it won't show and it's on and on every dream is shot by day  
And I pray that maybe you're right but if you don't,  
Maybe I might cause it's on and on  
When it takes too long I lose it I'll just hang while you abuse it If you knew then why'd you choose it  
Cause it's on and on you're not gonna get me through this are you  
You're not gonna get me through this are you anytime  
I'm there to show you but if it takes  
Long I know you out the door just leavin' me screwed  
And it's on and on everytime I try to fight it  
It's so hard to seem excited and if you don't turn I'll bite it  
And it's on and on you're not  
Get me through this are you you're not gonna get me through this are you I don't see you,  
I won't call you I don't know enough to stall you is it me,  
Or is it all you?  
Yes, it's on and on  
Dream is shot by daylight  
And I pray maybe that you're right  
But if you don't maybe I might cause it's on and on
