

# Actions And Motives

## 10 Years

Wait  
The fact you did it  
But don't admit it  
Won't make you innocent Fate  
Will find you wicked  
And turns you victim  
For everything you have done  
So justify the reason to kill Reason to kill  
I bet you will  
You're fooling no one but yourself  
But yourself  
I wish you well  
Oh what tangled webs we weave  
When we practice to deceive  
I know you well  
I know you well Actions and Motives  
Bear the cross  
Wear the crown  
There's just some evil you can't bleed out  
Hell has to notice  
Your Actions and Motives  
Bear the cross  
Wear the crown  
There's just some evil you can't bleed out I just get it  
How you manage  
To justify who dies  
Like judge and jury  
You're the very  
One who crucifies  
Don't get your hands dirty to kill  
Dirty to kill  
Use someone else  
Know all your lies are measured in hell Measured in hell  
I wish you well  
Oh what tangled webs we weave  
When we practice to deceive  
I know you well  
I know you well Actions and Motives  
Bear the cross

Wear the crown  
There's just some evil you can't bleed out  
Hell has to notice  
Your Actions and Motives  
Bear the cross  
Wear the crown  
There's just some evil you can't bleed out  
Actions and Motives  
Bear the cross  
Wear the crown  
There's just some evil you can't bleed out  
Hell has to notice  
Your Actions and Motives  
Bear the cross  
Wear the crown  
There's just some evil you can't bleed out
