Cast the Net

Sarah Blasko

I know you given to a change of heart
Move forward but still in the past
And though you think you'll never move on
Deep, inside you know you must
There's a comfort in what you know
But there's a time for letting go
Though it hurts, you're better off
The decision will be enoughCast the net out wide
Reveal the truth inside
What you're longing for is hard to find
When you're a victim of a change of heart
You're a victim of your changing heart
I know the curses of a tortured soul
Longs for everything, but wanders alone
And though the longing will never grow old
There'll come a time to rest your bones
Say goodbye, it's not too late
Say goodbye, you know the way
The open waters are calling you on
From there, the longing will lead you home
Cast the net out wide
Reveal the truth inside
What you're longing for is hard to find
When you're a victim a change of heart
You're a victim of your changing heart
