

Bye Bye Bye

N-Sync

Bye bye bye
I'm doing this tonight
You're probably gonna start a fight
I know this can't be right
Hey baby come on
I loved you endlessly
When you weren't there for me
So now it's time to leave and make it alone I know that I can't take no more
It ain't no lie
I want to see you out that door
Baby bye bye bye [Chorus]
Bye bye Don't want to be a fool for you
Just another player in your game for two
You may hate me but it ain't no lie
Baby bye bye bye
Bye bye
Don't want to make it tough
I just want to tell you that I've had enough
It might sound crazy but it ain't no lie
Baby bye bye bye You just hit me with the truth
Now girl you're more than welcome to
So give me one good reason
Baby come on
I've lived for you and me
And now I really come to see
That life would be much better once you're gone I know that I can't take no more
Ain't no lie
I want to see you out that door
Baby bye bye bye [Chorus] I'm giving up I know for sure
don't want to be the reason for your love no more
Bye bye
I'm checking out, I'm signing off
Don't want to be the loser and I've had enough I don't want to be your fool in this game for two
So I'm leaving you behind
(Bye bye bye)
I don't want to make it tough
(Make it tough)
But I've had enough
(Bye bye)

And it ain't no lie[Chorus]
