Bye Bye Bye

N-Sync

Bye bye bye
I'm doing this tonight
You're probably gonna start a fight
I know this can't be right
Hey baby come on
I loved you endlessly

When you weren't there for me So now it's time to leave and make it aloneI know that I can't take no more

It ain't no lie

I want to see you out that door
Baby bye bye bye[Chorus]
Bye bye Don't want to be a fool for you
Just another player in your game for two
You may hate me but it ain't no lie
Baby bye bye

Bye bye

Don't want to make it tough
I just want to tell you that I've had enough
It might sound crazy but it ain't no lie
Baby bye bye You just hit me with the truth
Now girl you're more than welcome to
So give me one good reason

Baby come on

I've lived for you and me

And now I really come to see

That life would be much better once you're goneI know that I can't take no more

Ain't no lie

I want to see you out that door
Baby bye bye [Chorus]I'm givng up I know for sure
don't' want to be the reason for your love no more

Bye bye

I'm checking out, I'm signing off
Don't want to be the loser and I've had enoughI don't want to be your fool in this game for two
So I'm leaving you behind

(Bye bye bye)
I don't want to make it tough
(Make it tough)
But I've had enough
(Bye bye)

And it ain't no lie[Chorus]
