

# Lovin' You Is Fun

Easton Corbin

Youve got a cousin whos telling you somethin  
That doesnt have nothin to do with the lovin that were in, baby  
I hear shes sayin this game were playin should be complicated  
If you wont, Ill say it, I think shes crazy, cause  
Love dont have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
Its all right to keep it light now mama, dont you think  
Were having such a good time together and its only just begun  
My hearts never smiled so hard  
Baby, lovin you is fun  
Its fun  
Im walking around all over this town, ten feet off the ground  
So happy I found you, baby, I love it  
Theres no self-help book on your shelf, you know too well  
Theyre trying to sell you somethin for nothin, cause  
Love dont have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
Its all right to keep it light now mama, dont you think  
Were having such a good time together and its only just begun  
My hearts never smiled so hard  
Baby, lovin you is fun  
Love dont have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
Its all right to keep it light now mama, dont you think  
Were having such a good time together and its only just begun  
My hearts never smiled so hard  
Baby, lovin you is fun  
This ole hearts never smiled so hard  
Lovin you is fun  
Yeah its fun  
Yeah its fun  
Lovin you is fun
